Information about the turbine is obtained by making measurements of the momentum of air as it passes. I have the same problem "it does not write the output file, thus I cannot get them started. I've looked around a bit and all the threads I have found have either not solved the problem, are marked dead, or there is no answer." .Ozzy Osbourne recovering well after shotgun injury He is doing fine but is on a strict regime of taking meds and playing guitar By Ian Dickson • Reading Time: 3 Minutes OPINION: Just when you thought that the recent spate of prison escapes in the UK couldn't get any worse, a shotgun wound to a famous rock star (pictured) has led to an incredible turn of events. Ozzy Osbourne, singer with iconic band Black Sabbath and notorious showman with platinum-selling solo career, has been admitted to hospital in the UK after a shooting incident with police officers outside his home in Buckinghamshire. Related Video Having been in the community for several years, the guy is suspected of being the worst kind of rogue. Thankfully he is doing fine but his wife, Aimee Hinton, has been taken into police custody. Unfortunately, while waiting for the lift in hospital yesterday, he was discharged and walked out into the night without telling anyone. As is often the case, the media are talking about nothing but Ozzy and his 'escape'. Though he will surely be found, it seems that the true measure of a man is not his freedom, but his actions. Ozzy has been taken to a secure mental unit, and he is now being treated for a shotgun wound to the back of his head (he survived a similar incident in 2006), a broken nose, a broken jaw, three broken ribs, and a damaged tendon in his wrist. As for why he didn't tell the people who cared about him most before he left? It's a mystery, and police have revealed that they are looking at what Ozzy was told by 'a family member' about the incident on Friday. In the meantime, Aimee has been charged with 'permitting a prisoner to escape'. That's mean to say, while incarcerated, he was out of prison for a short time. Related Video Aimee has released a statement saying that all she has ever done
